User income query

The screenshot shows a web interface with a top navigation bar containing 'Income', 'Consensus Connection', 'PR node', and 'Community proposal'. The 'Income' tab is selected and highlighted with a red box. Below it, a sub-navigation bar shows 'User income', 'Income details', and 'Withdrawal record'. The 'User income' sub-tab is also highlighted with a red box.

The main content area is divided into two columns. The left column, titled 'Available Income', contains a teal box with the text: 'The available income consists of the following four types of income and can be withdrawn to your Ethereum wallet. The corresponding gas fees will be deducted for each income withdrawn.' Below this text is a progress bar and the label 'LUCA'. The right column, titled 'PR value income', contains a progress bar and the label 'LUCA'. Below this is another progress bar and the label 'LUCA'.

Below the teal box, there is a section titled 'Withdraw income'. It contains four input fields: 'Receiving address', 'Withdraw PR value income', 'Available liquidity income', 'Withdraw stake income', and 'Withdraw server operation income'. The 'Withdraw PR value income' and 'Available liquidity income' fields have a 'LUCA' label next to them. The 'Total withdrawn amount' is displayed as '0 LUCA'.

A 'Confirm' button is located at the bottom of the form.

Click [Income]-[User income] on the consensus connection page to query the user income details.
(Note: both stake income and connection income will be distributed after 24 hours)

Pay GAS fee

The image shows a transaction confirmation screen from a wallet interface. At the top right, it displays 'Max fee: 0.000512' with a slider. Below this, a horizontal line separates the fee section from the total section. The 'Total' section shows '0.000512' followed by a bold '0.000512' and a slider. Below the total, it says 'Amount + gas fee' and 'Max amount: 0.000512' with a slider. At the bottom, there are two buttons: a grey 'Reject' button and a blue 'Confirm' button. The 'Confirm' button is highlighted with a red rectangular border.
