

**Connect MetaMask
wallet**

01

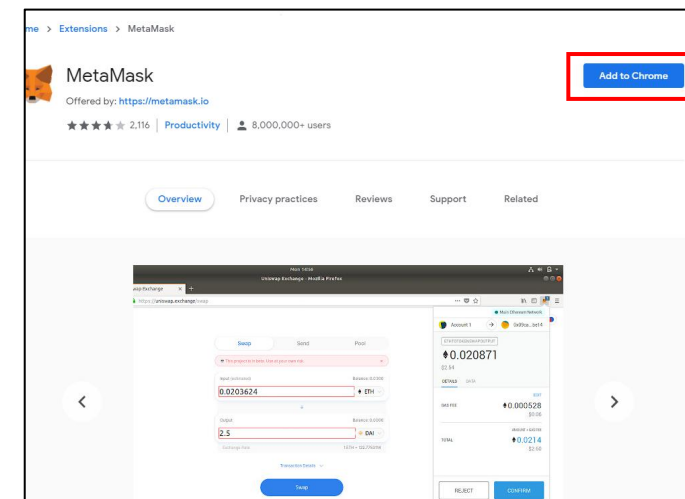

Add MetaMask Wallet

Search for "MetaMask" on Google Chrome, and click the [Download] button on the official website;
Security warning: Please refer to the official website to prevent phishing websites and protect the safety of funds.

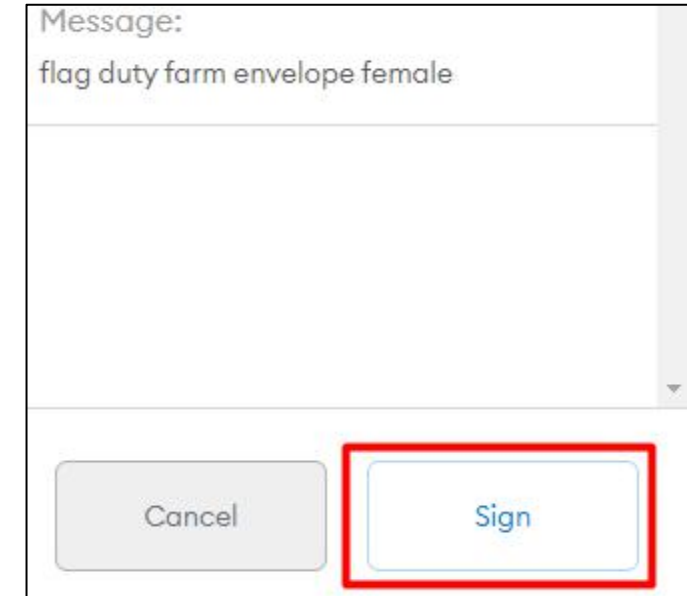

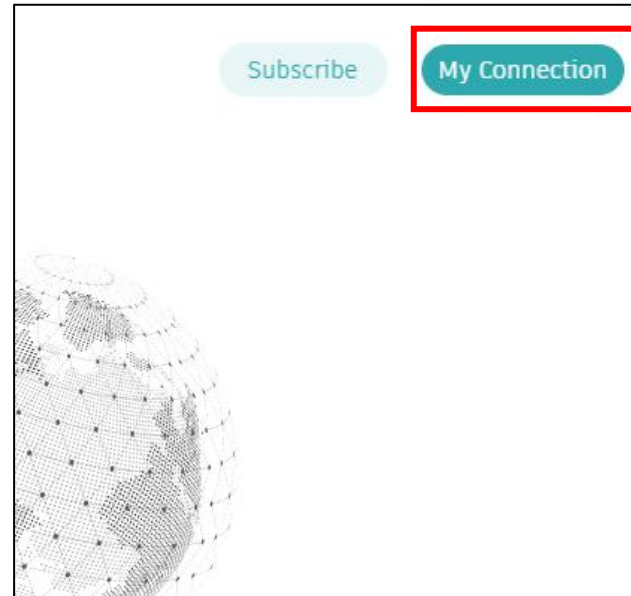

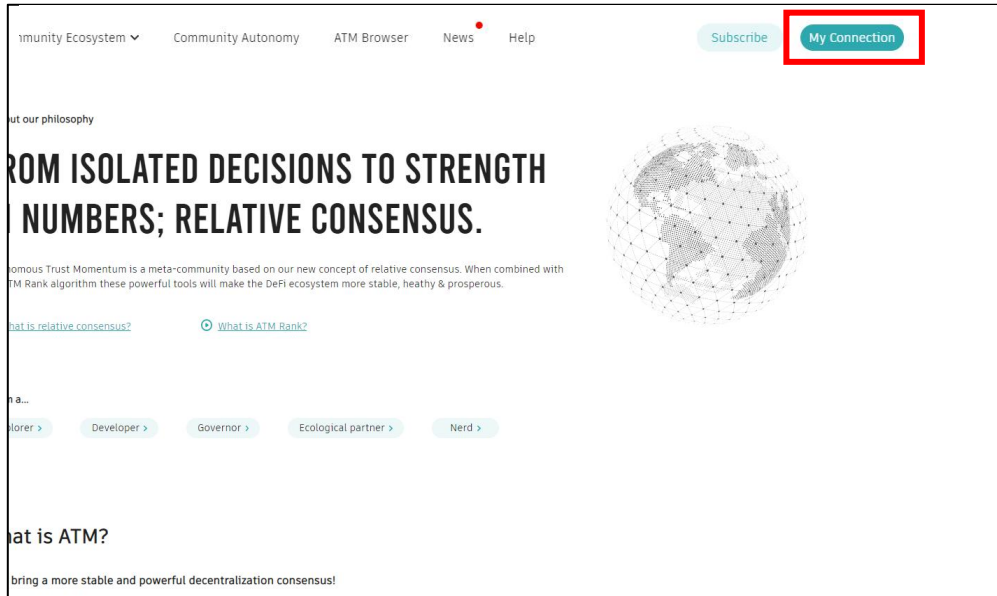

Click the [Install MetaMask for Chrome] button;

Click the [Add to Chrome] button to add MetaMask wallet.

02

Enter the ATM website

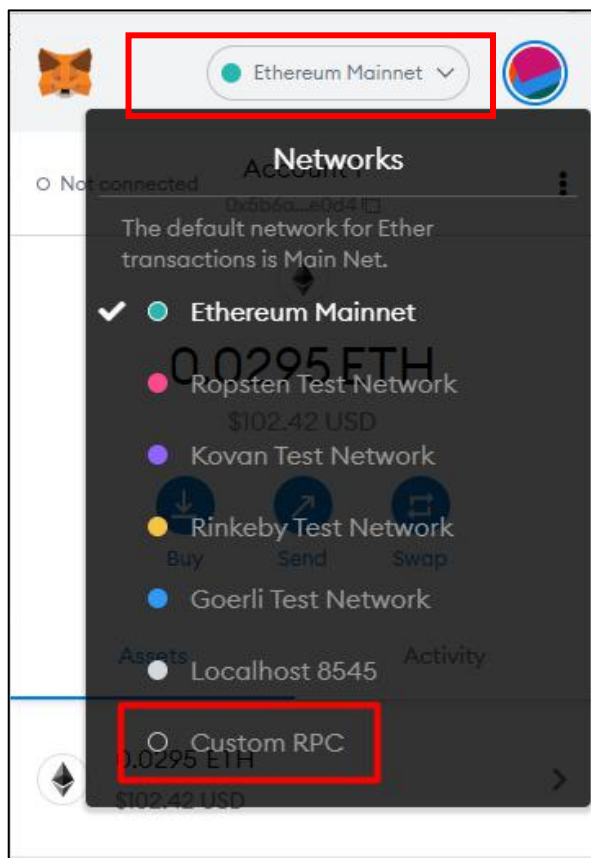

Input <https://www.atmrnk.com/> to open [the ATM official website]. Click the [Connect ATM] button in the top right corner of the official website;

Click the [Connect ATM] button in the upper right corner of the website;

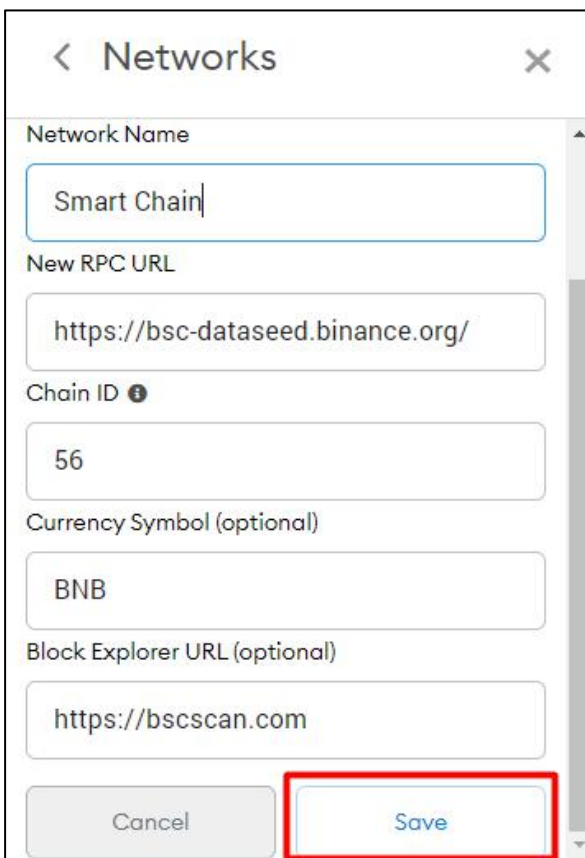

Click the [Sign] button in the MetaMask wallet to enter the ATM consensus connection page.

03

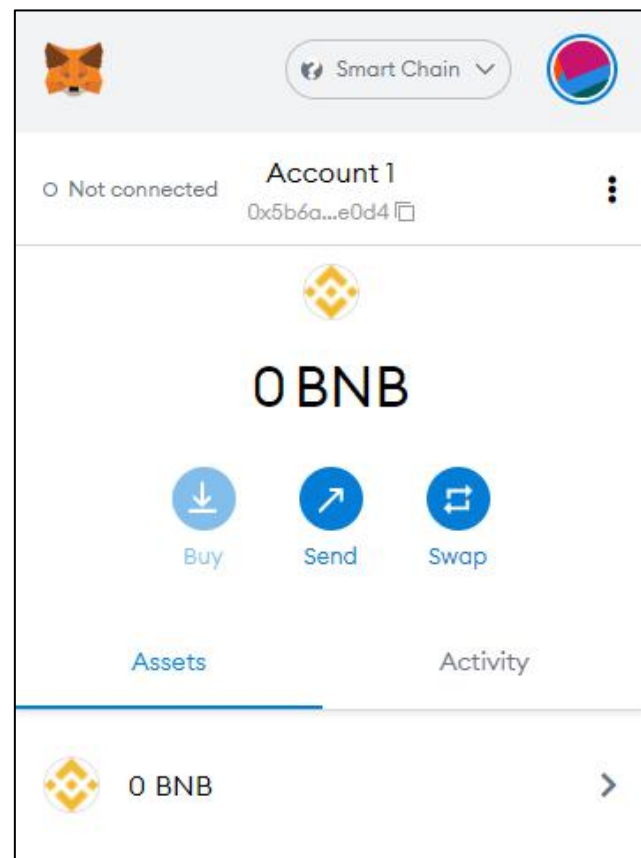

Add BSC Binance Chain

Click the MetaMask wallet icon, select [Ethereum Main Network], and click [Custom RPC];

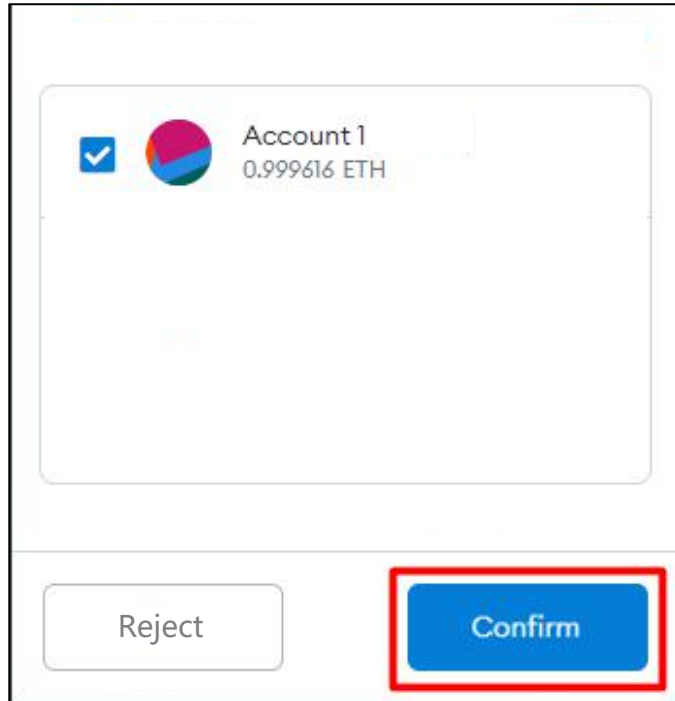

Fill in the information given in the picture and click [Save];

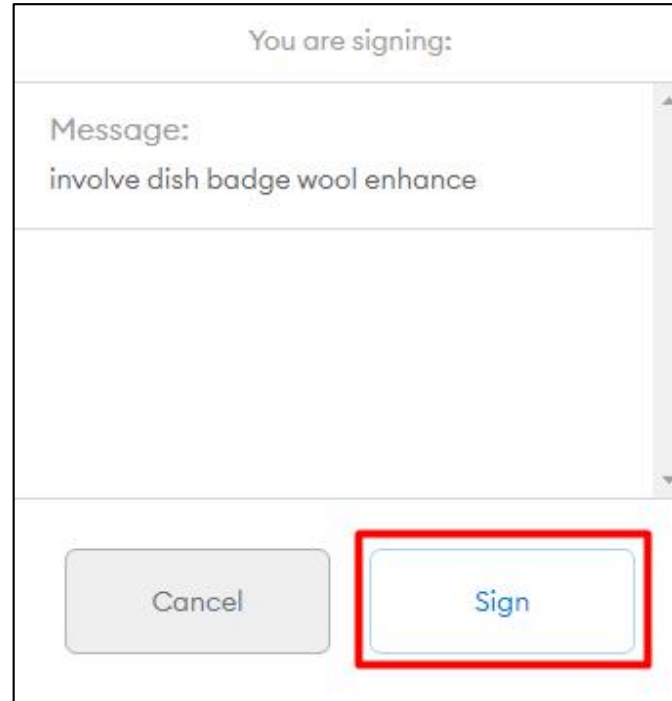

The BSC trading network has been added.

04

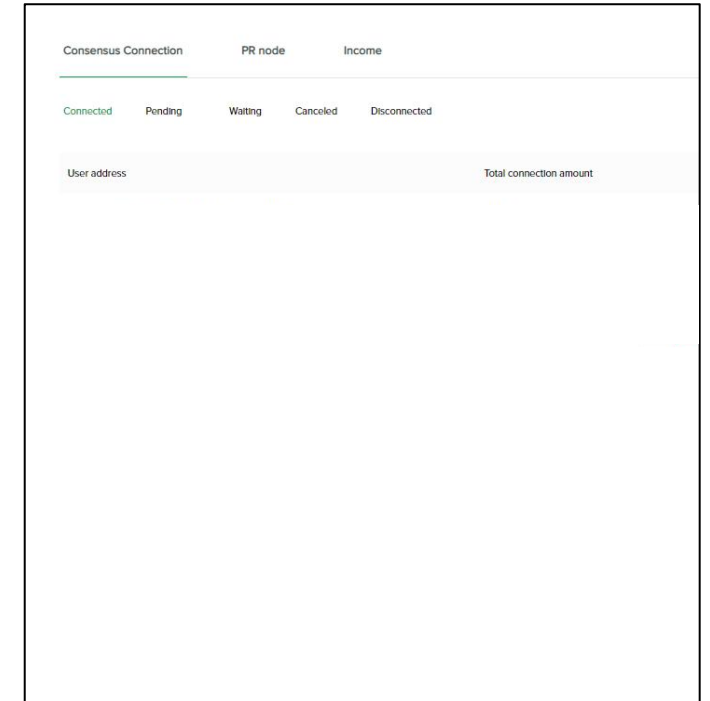

Connect ATM

Click the [Next]
button in the
MetaMask wallet;

Click the [Connect]
button;

Enter the consensus
connection page.

A collection of abstract geometric shapes in the top right corner, including a blue and green triangle, a green line, a blue line, and a black line.

THANKS

A collection of abstract geometric shapes in the bottom left corner, including a blue and green triangle, a green triangle, and a blue line.
